SECOND INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents

Alexandria, VA 22313-1450

Sir:

Public Pair indicates that a non-final Action in this application has been counted, but not mailed according to an inquiry on January 24, 2007. Accordingly, this submission is made on the assumption that filing this IDS will be before a first action on the merits.

The Applicant, through its attorneys, hereby brings to the attention of the examiner, the Japanese document JP H09-173383A with its English translation. This document was cited in the Notice of Reason(s) for Refusal issued by the Japanese Patent Office for Japanese Patent Application No. P2002-347,237, from which this matter claims priority under the Paris Convention. Further inquiry will be made as to the date of that action so that if certification is apt, it can be made if this IDS is not filed prior to the mailing of the counted but not mailed action.

Please consider this citation and its translation in due course.

Dated: January 24, 2007

Respectfully submitted,

By
